

I'm not robot!

When you're learning a new language, audiobooks can make studying so much easier. Here are the best audiobooks for learning English. Gaining a mastery of the English Language is not an easy task - even for native speakers - so you're to be commended if you're currently embarking on this journey yourself. When learning English, it's a good idea to take advantage of all the tools at your disposal to help you become a more fluent and confident speaker. With that in mind, here's a list of the best audiobooks for learning English, for learners at a beginner to intermediate level. These audiobooks will refresh your memory and help keep you on track during those moments where everything you've learned starts to blur together.I've also included a couple of English audiobooks for kids that you'll find useful for familiarizing yourself with new vocabulary and putting your knowledge in context. Enjoy!This post may contain affiliate links. Please read my disclosure for more information. What are the Best Audiobooks for Learning English? Here are 7 of the best audiobooks for English learners: 1. The Black Book of Speaking Fluent English English has often been referred to as "the language of business".If you have ambitions to set up an international business or to work at some bigger companies, it's almost essential that you're able to speak English fluently. In this audiobook, ESL professor Christopher Hill shows you powerful ways to rapidly improve your spoken English. You will learn: The three golden rules of speaking fluent EnglishThe power of immersion The process of shadowing How intensive listening works The best accent reduction techniques Bonus guide: the secret method to become super fluent in 21 days This audiobook is designed for intermediate English learners. If you can understand 60-80% of an English speaking movie and understand what you are reading so far, then it's perfect for you!=> Listen to "The Black Book of Speaking Fluent English: get the free audiobook here. 2. 500 Really Useful English Phrases Do you feel stuck in the intermediate English level? Do you want to break out and start improving quickly?500 Really Useful English Phrases is one of the best audiobooks for learning English at a more advanced level.As author Jenny Smith explains, intermediate students get stuck because learning at this stage is a different type of learning than at the beginner stage. You have mastered the grammar and the basic vocabulary, but most textbooks just carry on like nothing has changed. This audiobook takes a different approach, by exposing you to as much real English in as many real-life situations as possible, so you can naturally get a feel for the language. Every new phrase in this audiobook is introduced in the real context of a short story or an article. So by having fun and listening to something interesting, you will be learning naturally rather than having to force yourself to study!=> Listen to "500 Really Useful Phrases": get the free audiobook here. 3. English Pronunciation: Pronounce It Perfectly in 4 Months Fun & Easy Many words in English sound so similar that it's easy to think they're the same. However, pronouncing the right words wrong can mean something completely different. In this audiobook, author Ken Xiao teaches you how to pronounce English words perfectly in four months by: Training your ears to hear the slight differences between similar soundsTraining your mouth to pronounce the slight differences between similar soundsIf you're a beginner, you'll learn English pronunciation the right way from the beginning. If you're an intermediate learner, you'll correct your pronunciation and then perfect it.And if you're an advanced learner, you'll discover any wrong pronunciation habits you may have developed, so you can finally fix them for good!=> Listen to "English Pronunciation" by Ken Xiao: get the free audiobook here. 4. English Vocabulary Master - 300 Idioms Understanding idioms is an important part of learning any language. English Vocabulary Master is an intermediate to advanced level audiobook that's designed to help you learn and consolidate knowledge of more than 300 idiomatic phrases that occur most frequently in everyday conversations. Each lesson follows the same three-step process: Listen to all the expressions recorded with translationsRepeat and consolidate whole sentences in various situationsSpeak after independently forming sentences in accordance with the teacher's instructionsEach lesson comes with a set of exercises to help you master the expressions quickly. There are also recordings of example answers that you can use to check your responses immediately and make sure you're on the right track.=> Listen to "English Vocabulary Master - 300 Idioms": get the free audiobook here. 5. The Great Big Treasury of Beatrix Potter Now, onto some kids audiobooks that are great for English language learners...Beatrix Potter was an English writer known for creating some of the best-loved children's stories of all time. The Great Big Treasury is a compilation of some of her most famous stories - it's a treasure chest of delightful, charming little stories full of animals and people. This audiobook contains three collections - The Giant Treasury of Peter Rabbit, Further Tales of Peter Rabbit and The Giant Treasury of Beatrix Potter.=> Listen to The Great Big Treasury of Beatrix Potter: get the free audiobook here. 6. Pollyanna Pollyanna is a classic in children's literature. The story is about a 12-year old orphan who goes to live with her Auntie Polly in Vermont. Unfortunately her aunt accepts her very reluctantly only out of duty and sticks her into a tiny hot attic room so she will be 'out of the way'.However, Pollyanna has been taught by her Father to play 'The Glad Game', where you find something to be glad about, no matter the situation. Pollyanna's irrepressible happy attitude transforms not only that dull and miserable house, but an entire village before she is through.=> Listen to "Pollyanna": get the free audiobook here. 7. A Bear Called Paddington Paddington has warmed the hearts of generations of readers with his good intentions and humorous misadventures. If Paddington Bear learned anything from his Uncle Pastuzo, it's that home is where you hang your hat.And for Paddington, nothing feels quite like home than being with the Brown family.This one-of-a-kind bear had traveled all the way from Peru when the Browns first met him in Paddington Station. Since then, their lives have never been quite the same . . . for ordinary things become extraordinary when a bear called Paddington is involved -> Listen to "Paddington": get the free audiobook here. Final thoughts Thanks for reading this post on the best audiobooks for learning English. Hopefully you've found a few options that meet your needs.Learning a new language can feel like a long journey sometimes, but do not give up! The more you diversify your learning activities and immerse yourself in new cultural experiences, the easier your journey will become. => You can get a free audiobook for learning English here.All the best!Related: 9 Best Educational AudiobooksBest Audiobooks for Learning SpanishHow to Get into Audiobooks Jul 25, 22 08:12 PM Looking for ways to motivate your team and guide them to success? The Stranger – Norman Whitney The Stranger PDF audio book, ebooks, youtube Something went wrong. Wait a moment and try again. There are many ways to improve your listening skills when you don't have access to native English speakers. These include podcasts, television and radio. Another resource that has become increasingly popular in recent years is audio books. See our list of recommended free audio books for English learners below. Listening comprehension is often the hardest skill for language learners. While speaking, reading and writing are generally fine, listening can still cause problems. It can also be argued that it's the most important. How else do you learn your maternal language if not through listening? Numerous studies have shown that when we communicate we spend 9% of the time writing, 16% reading, 30% speaking and between 40-50% listening. This blog post explores the importance of listening in learning a language. Advantages of Audio Books There are a number of advantages of listening to audio books for language learners. They include: Access to native speakers. Get continuous dialogue. Hear good articulation and pronunciation. Listen to intonation. Great alternative if you don't like reading. Can listen anytime, anywhere. Find free resources online. The majority of English learners do not live in an English speaking country. You can overcome this problem with audio books as they give you exposure to native speakers and various accents. They also allow you to become accustomed to longer dialogue. In addition, narrators pronounce and articulate words. It is important to remember that you don't have to understand everything to follow the story. This is not the goal of the exercise. Like in your own language, you can understand the meaning of something without knowing every word. How to Choose the Right Books Start by thinking about your current level in English and your interests. The audio books you choose should depend on these two things. It is often suggested that audio books are better for higher level learners. However, lower level learners should not be discouraged. You can choose a book that you already know, or there are many children's books which are suitable for adults. Remember that just having exposure to continuous dialogue from a native speaker will really help you. You can find more recommended books in our blog post: Top 100 free audio books in English. The real key to success is choosing something that interests you. This can be applied to almost every part of your life. It enables you to focus and will keep your attention for longer. Top 10 Tips To help you succeed in using audio books as an English learner, we've put together top 10 tips of things to keep in mind: Listen for the gist. Don't expect to understand everything. Listen for repetition. Fill in the blanks with context. Try to find a narrator that you like and are comfortable with. Pick books that you'll find interesting. Choose a book that you're familiar with. Try not to translate. Try to think in English. Don't give up! Remember the more you listen, the easier it becomes! Get more general advice about learning English in our blog post: 10 Tips for Learning English and discover more free audio books and ebooks in English on our main site. Also, take a look at this video on how to improve your English listening skills. You can listen to thousands of free audio books online at digitalbook.io. To help you get started, we've recommended some classic free audio books for all different levels. The Wind in the Willows – Kenneth Grahame A classic children's book that is great for lower level English learners. Follow the adventures of animals Mole, Ratty, Badger and Toad, with their human-like traits and individual animal instincts. Even though it is a children's book, it has adult themes running through the book. Level: Easy Time Machine – H.G. Wells For science-fiction fans, the Time Machine is a must read. The time traveler tells of his journey through time to 800,000 years in the future, where he meets the descendants of man. Of course, when he returns back home no one believes him. So he goes on another journey, never to be seen again. Level: Intermediate Pride and Prejudice – Jane Austen A great listen for learners and fans of classic English literature. This romantic story focuses on marriage and class. The lives of the Bennet sisters are thrown into turmoil with the arrival of Mr. Bingley and his friend Mr. Darcy. Sparks fly when Mr. Darcy begins to fall in love with a woman beneath his class. This book is an absolute joy, full of comedy and satire. Level: Advanced Robinson Crusoe – Daniel Defoe This 18th-century novel tells the story of Robinson Crusoe. He sets sail on a voyage from the UK against the will of his parents. During the journey his ship is wrecked during a storm, and he has to survive on an island. After recovering, he continues his voyage across the seas, only to encounter more difficulties. Pirates take over his ship and take him captive. Level: Intermediate Alice's Adventures in Wonderland – Lewis Carroll This famous children's tale is another popular book among adults. It tells the story of Alice who falls through a rabbit hole and ends up in a strange land with weird creatures. Carroll's magical story will be around forever. Level: Easy Howards End – E.M. Forster Forster tells the story of the half-German Schelgal sisters along with the Wilcoxes and Basts families. They are all living in London during Edwardian times. It focuses on the difference in social classes and the struggles faced during this time. For those who are interested in English literature, E.M. Forster is a great choice. Level: Advanced The Picture of Dorian Gray – Oscar Wilde First published in 1890, this book was branded immoral at the time. The book explores aestheticism and focuses on beauty and youth. Dorian, a young innocent man turns superficial and self-obsessed as he discovers the powers of his exceptional beauty. He remains physically unchanged by his immoral lifestyle but his portrait shows the reality. Level: Intermediate Romeo and Juliet – William Shakespeare One of Shakespeare's most famous works tells the tragic love story of Romeo and Juliet. This popular play in which their families, the Montagues and Capulets, are on opposite sides and disapprove of the two young lovers. There was only one way this story could ever end. Level: Advanced Jungle Book – Rudyard Kipling Mowgli is a young jungle boy that is raised by wolves in the Indian Jungle. With memorable characters such as Baloo the bear, Hathi the elephant, Rikki-Tikki-Tavi the Indian mongoose and Shere Khan a Bengal Tiger, each chapter tells a story and uses the animals to give moral lessons. Level: Easy Dracula – Bram Stoker Bram Stoker's famous 1897 Dracula is one of the most famous Gothic Vampire novels. Set in the late 19th-century, Jonathan Harker, a young English lawyer is traveling to Castle Dracula in Transylvania (modern-day Romania). When locals learn of his destination they react with fear, which begins to worry Harker. Nevertheless, he continues on his way to meet Count Dracula, who he is helping to buy an Estate in England. Level: Advanced The Adventures of Pinocchio – Carlo Collodi This popular children's book was written by Italian author Carlo Collodi however, is also great in English. It tells the story of a carved wooden puppet called Pinocchio. He walks and talks but really just longs to be a real boy. When he begins to misbehave and tell lies, his nose grows. Level: Easy To learn more about how reading can improve your English and to find recommended eBooks, visit our Free eBooks for English Learners blog post.
